••• Certifications

Metropolic Paper Industries believes in the process of strengthening its manufactured products by stamping with the best certification process available in the UAE. These certification laws are very stringent and require diligent processes to comply with international norms in order to provide the best product to the end consumer.

ISO certification is a seal of approval from an independent third party body that is awarded to a company that complies with the international standards developed and published by the International organization for Standardization.

We make life softer.

About Our Company

The journey to excellence began in 1995, when Metropolic Paper Industries (MPI) was incorporated in the United Arab Emirates. Since then, we have strengthened our position as market leaders in tissue manufacturing and tissue converting in the GCC region. We bring together professional strength, technological superiority and benchmarked quality to offer cutting-edge solutions.

With sustainability at the core, our operations are characterized by environmentally-friendly processes. We use 100% raw virgin pulp sourced from the best suppliers worldwide and convert them into durable, absorbent and economical products. Today, our clientele includes top supermarkets, exporters, wholesalers, retailers and hotels.
