

# PRODUCT PORTFOLIO

[www.metropolic.com](http://www.metropolic.com)

The UNO logo, featuring the word "uno" in a stylized, rounded font. The letters are colored in a gradient: the 'u' is pink, the 'n' is purple, and the 'o' is blue. A small registered trademark symbol (®) is located to the upper right of the 'o'.

UNO is a premium range of  
tissue paper product in the facial, toilet tissue and napkins category.  
The toilet roll has an embossed pattern for extra softness,  
high-strength 2-ply rolls making it an ideal solution for everyday use.

# FACIAL TISSUES

Uno Facial Tissue 2-Ply is a high-quality, soft and absorbent tissue designed to provide gentle care for your face. It is a popular choice for everyday use, whether at home, in the office, or on the go. The tissue is made with two layers, which enhances its strength and durability while maintaining a gentle touch on your skin.

UNO Table Napkin  
50 Sheets/2Ply

Item	Sheet Size (cm)	Packing
3	23 x 23	1 x 40 /Ctn

Uno Napkin is a highly absorbent and versatile disposable napkin designed for various purposes. Whether it's for dining, picnics, or parties, Uno Napkin offers exceptional absorbency to clean up spills and messes effectively. The napkin is made from high-quality materials, ensuring strength and durability while remaining soft to the touch. Uno Napkin is available in a range of attractive colors and patterns, adding a touch of style to any occasion.

UNO Kitchen Towel  
100 Sheets/3Ply

Item	Sheet Size (cm)	Packing
4	22 x 23	2 x 12 /Ctn

Uno Kitchen Towel is a versatile and absorbent paper towel designed specifically for kitchen use. It is highly effective in absorbing spills, drying dishes, and cleaning surfaces. Uno Kitchen Towel features a strong and durable construction that remains intact even when wet. The perforated sheets make it easy to tear off individual towels as needed, reducing waste. Uno Kitchen Towel is an essential companion in any kitchen, providing convenience and cleanliness for everyday tasks.

UNO Maxi Roll  
1 kg/2Ply

Item	Sheet Size (cm)	Packing
5	20 x 23	1 x 6 /PB

Uno Maxi Roll is a large-sized roll of highly absorbent paper towel suitable for both residential and commercial use. It is designed to tackle tough messes and spills with ease. With its extra-large size, Uno Maxi Roll provides ample paper towel that lasts longer, reducing the need for frequent replacements. The roll is strong and durable, ensuring it doesn't tear or disintegrate when wet. Uno Maxi Roll is an excellent choice for cleaning tasks in kitchens, workshops, or any environment that requires heavy-duty absorbency.

UNO Toilet Roll  
200 Sheets/3 Ply

Item	Sheet Size (cm)	Packing
6	10 x 10	4 x 24 /PB

Uno Toilet Roll is a reliable and hygienic option for maintaining cleanliness in bathrooms. It is designed to be flushable and provides softness and strength for a comfortable and efficient toilet paper experience. Uno Toilet Roll is made from high-quality materials, ensuring it doesn't break or tear easily during use. With its optimal balance of softness and durability, Uno Toilet Roll offers a pleasant and reliable solution for maintaining personal hygiene.

Introducing BATP Toilet Roll, a premium choice for your bathroom needs. This toilet roll is specially designed to offer exceptional performance while being mindful of the environment and your plumbing system.

BATP Toilet Roll is septic safe, meaning it won't cause clogs or damage to your septic system. It dissolves quickly and efficiently, reducing the risk of blockages and ensuring the smooth operation of your plumbing. With BatP Toilet Roll, you can enjoy peace of mind knowing that you're taking care of your plumbing system.

In addition to being septic safe, BATP Toilet Roll is also biodegradable. It is made from eco-friendly materials that break down naturally over time, minimizing its impact on the environment. By choosing BatP Toilet Roll, you are making a conscious choice to reduce your ecological footprint and promote sustainability.

# CERTIFICATIONS

Accepting sustainable responsibility, we adhere to strict laws of environment protection by using %100 virgin pulp.

By using %100 raw virgin pulp we primarily must be members for FSC certification which means for every one tree is cut three more trees are planted to protect our planet and green environment. This entire process also protects the climate in a positive way

Metropolic Paper Industries believes in the process to strengthen its product manufacturing with the best certification process available in the UAE. These certification laws are very stringent and require diligent processes to achieve desired actions to comply with international norms in order to provide the best product to the end consumer.

**ISO 9001: 2015**  
**ISO 14000: 2015**  
**ISO 45001: 2018**

## ABOUT OUR COMPANY

The journey to excellence began in 1995, when Metropolic Paper Industries (MPI) was incorporated in the United Arab Emirates. Since then, we have strengthened our position as market leaders in tissue manufacturing and converting in the GCC region. We bring together professional strength, technological superiority and benchmarked quality to offer cutting-edge solutions.

With sustainability at the core, our operations are characterized by environment friendly processes. We use %100 raw virgin pulp sourced from the best suppliers worldwide, and convert them into durable, absorbent and economical products. Today, our clientele includes top supermarkets, exporters, wholesalers, retailers and hotels.

LET'S COMBINE OUR EFFORTS  
FOR A COMMON GOAL.

*"Strength in Togetherness."*

METROPOLIC
